

Errata to the preprint version of the paper “A group theoretic interpretation of Wilson polynomials” by T. H. Koornwinder

Last modified: August 1, 2010

This concerns the paper

T. H. Koornwinder, *A group theoretic interpretation of Wilson polynomials*, in *Complex analysis and applications '85*, Publishing House of the Bulgarian Academy of Sciences, Sofia, 1986, pp. 335-355;

also preprint Report PM-R8504, CWI, Amsterdam, 1985, downloadable from <http://repository.cwi.nl/search/fullrecord.php?publnr=6365>.

Here are some errata to the preprint.

p.5, l.2: Replace “statying” by “stating”.

p.5, (1.15): The lower limit of the first integral should be 0.

p.10, l.–3: The triple direct product should read as $SL(2, \mathbb{C}) \times SL(2, \mathbb{C}) \times SL(2, \mathbb{C})$.

p.11: On l.5 replace $O(n)$ by $O(p)$; on l.6 replace $n \times n$ by $p \times p$; on l.6 replace S^{n-1} by S^{p-1} .

p.11, (4.1): Replace $P_{n-m}^{(\frac{1}{2}q-1, \frac{1}{2}p-1+2k)}$ by $P_{n-m}^{(\frac{1}{2}q-1, \frac{1}{2}p-1+2m)}$.

p.13, (4.9): Replace R_n by R_m .

p.18, l.–1: Omit “dual”.
